

Technology Needs Assessment Request for Proposal Supplemental Questions and Answers

- Q. Can proposers participate in the April 9, 2007 Technology Needs Assessment Proposers' Conference by teleconference?
- A. Yes. The Court however has limited capacity to provide for such participation. Teleconference participation will be granted on a first come, first served basis until all slots have been allotted. Interested proposers should contact Terence Sims at (504) 310-2550, by Friday April 5, 2007, 4:00 pm CST, to request teleconference participation.
