Louisiana does not have a unified state court funding system. Operations of district, parish and city courts are primarily funded by local governments. An annual state legislative appropriation funds the operations of the Louisiana Supreme Court and the five courts of appeal, as well as the salaries of all state court judges. The state also funds a portion of the salaries of parish and city court judges, and the compensation of retired and ad hoc judges.

In FY 2015-2016, state appropriated funds totaled $179,603,192:

- Salaries and Benefits: $139,531,183 (77.7% of total budget)
- Professional Services: $29,567,049 (16.4% of total budget)
- Operating Services: $5,853,605 (3.3% of total budget)
- Supplies: $1,500,563 (0.8% of total budget)
- Travel: $1,317,454 (0.7% of total budget)
- Computer charges: $1,235,728 (0.7% of total budget)
- Acquisitions: $597,610 (0.3% of total budget)

The Louisiana Supreme Court’s expenditures are audited by the Louisiana Legislative Auditor every two years, and the audit report is available on the Legislative Auditor’s website at www.lla.state.la.us. These reports contain comparisons of budget to actual revenues and expenditures, as well as a summary of revenues and expenses by categories, and the Court’s financial data.

Includes Salaries and/or Benefits for 365 state Judges, 7 Commissioners, 228 Supreme Court employees, 369 Courts of Appeal employees, 118 designated lower court employees, and 39 retired judges or widows in Unfunded Pension system.
