

## List of Registered French Language Court Interpreters

In Louisiana, a court interpreter is listed as “registered” in the language for which he tested if the interpreter: completes a two day training course, passes a standard written English examination as provided by the National Center for State Courts, passes a written translation examination, agrees to be bound by Part G, Section 14 of the General Administrative Rules for all Louisiana Courts: *The Code of Professional Responsibility for Language Interpreters*, and passes a criminal background check.

The following interpreters have successfully completed all of the above requirements to become “registered” court interpreters in the French language.
