

SUPREME COURT OF LOUISIANA

EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

The Supreme Court of Louisiana is committed to providing equal employment opportunities to qualified persons. The Court strictly prohibits discrimination in recruitment, hiring, promotion and any other action related to terms and conditions or privileges of employment on the basis of race, creed, color, national origin, religion, sex, age, disability or military status.

Each employee is obligated to report conduct which he/she believes may constitute unlawful discrimination. Further, it is the Court's policy to treat persons who complain of or report any violations of these policies with respect and concern and to assure that such employees are protected from retaliatory acts.

Each justice, manager and supervisor is responsible for administering employment practices in a manner which is consistent with this policy. An individual, whether employee, supervisor or manager, who violates these policies is subject to disciplinary action up to and including termination.

Notice of the Court's equal employment opportunity policy shall be provided to employees, job applicants, recruitment sources and others involved in the Court's personnel, procurement and contracting activities.
