

SUPREME COURT OF LOUISIANA

No. 00-O-0392

IN RE: JUDGE PAMELA TAYLOR JOHNSON

*ON RECOMMENDATION FOR DISCIPLINE
FROM THE JUDICIARY COMMISSION OF LOUISIANA*

VICTORY, J., dissents,

I respectfully dissent. In my view, Judge Johnson's repeatedly allowing the misuse of public funds and the listing of four public officials under her signature on a proposed planning grant as "enthusiastically [agreeing] to serve on the planning committee" when none had even been contacted, much less agreed to serve, were shown to be ethical violations by clear and convincing evidence and warrant the censure of this court as recommended by the Judiciary Commission.
