SUPREME COURT OF LOUISIANA

NO. 2003-B-0755

IN RE: DANA P. KARAM

WEIMER, J., concurring.

I concur for the following reason.

This sanction seems unduly harsh for a relatively minor manner. While not condoning what the respondent attorney did, this matter was exacerbated because of a failure to respond and a refusal to participate in the disciplinary process. In particular, the respondent received a subpoena which was ignored.
