SUPREME COURT OF LOUISIANA

No. 2007-CJ-2091

CHRISTI LYNN FOWLER COOK

VERSUS

PORTER ALAN COOK

CALOGERO, Chief Justice, dissents and assigns reasons.

I dissent from the majority's action today and would have denied the writ application, because I find no error in the court of appeal's decision to review the matter *de novo*. Alternatively, I would have granted and docketed the case, so that this court could have had benefit of the record, full briefing, and oral argument, rather than take away this mother's custody award and affirm the contempt holding and sentence, based solely on the father's writ application.
